

Style Dance Academy

COVID-19 Protocols

Below you will find the protocols and guidelines to follow while attending class at *Style Dance Academy*. It is our priority to provide a safe and healthy environment for our students and staff. These protocols and guidelines will be in affect until further notice.

PLEASE READ

- *Please do not come to the studio if you are running a fever (100.4) or feeling ill. Students must be symptom-free and fever-free for a minimum of 48 hours before returning to class.
- *Temperature checks will be done upon entering the building. Students must enter through the double doors.
- *Please wash and sanitize hands before and after class. Hand sanitizer is available throughout the studio.
- *Staff will sanitize hard surfaces and common areas in between each class.
- *Non dancers (including parents/guardians and family members) are not permitted into the building at this time. Dancers age 6 and under are permitted to have one parent or guardian with them, only if necessary. Upon arriving, parents are encouraged to walk younger students to the double doors. After class, a staff member will walk students to the double doors to meet parent/guardian.
- *Restrooms are available to students and staff; however, the locker room area will be closed.
- *No food is to be brought into the studio at this time. Water bottles only.
- *The front lobby is available for payments only.
- *Each student should only bring in a small bag with appropriate dance shoes and water bottle.
- *Masks requirements will be updated per State mandate.
